# ANDY HOLLIS

Director of Photography

*From mainstream primetime drama to out-and-out comedy, via hugely popular shows like 'Ab Fab' and the literary whimsy of 'Under Milk Wood', there's little that Andy doesn't enjoy. Throw in some commercials for brands like Fiat and BMW, add in constant repeat business from established directors like Matt Lipsey and Kevin Allen, and it all points to Andy being one of the most capable and in-demand DoPs in the UK today.*
