"He is flat out the best 1st AD I have ever worked with. Jordan is very intelligent and highly organised, he is always prepared and his scheduling is realistic, thorough and allows for all probabilities. His knowledge of film making is vast and covers all facets so he sees a problem arising before they happen."

Emily Corcoran – Producer – The Stolen

"I had the pleasure of working with Jordan recently and found him to be an outstanding 1st Assistant Director. He is extremely efficient, thorough, supportive and is very calm and popular with the crew and cast. Jordan made a challenging shoot a real pleasure and he would definitely be a great asset for any production at any level."
