KYLE KANNENBERG

Production Designer

kylekannenberg.com

IATSE Local 800

Kyle Kannenberg grew up in Las Vegas and earned a degree in Chemistry with honors from UNC, Chapel Hill. Kyle was fully intending on medical school until a Doctor friend pointed out his obvious interest, and encouraged him into the arts. Taking it to heart, Kannenberg built his career in sculpting, photography, architecture and fashion editorial before discovering the perfect culmination of it all; production design. This wide background and experience enables Kyle to discover the essence of the story and bring it to life in the design and palette. He works well with directors and producers enjoy his detail to budget and time. Based in Los Angeles, Kyle is available for work worldwide.
