

MELANIE GHISAYS

Costume Designer

IATSE local #705

Born in the UK to actor parents, Melanie grew up in London, Rome and Jamaica. Costumes seemed a natural choice after working for Flip of Hollywood, a vintage clothing store with locations in New York, London and Los Angeles. She's worked with some of the hottest directors in town including Michael Bay, David Fincher, Jon Turteltaub and Wim Wenders; and actors, Gabriel Byrne, Tilda Swinton, Bruce Willis, Hugh Jackman and Anne Parillaud. Comfortable with both period and contemporary clothing, Melanie has natural eye for style and a wonderful relationship with actors. Based in Los Angeles, she is available for work worldwide.
