

JACQUELINE FOWLER

Make-up & Hair Designer

A BAFTA and RTS award winner for her work on 'Crimson Petal' and BAFTA-nominated for her work on 'Da Vinci's Demons' & 'Red Riding 1974', Jacqueline also won an RTS award for her work on the BBC's ratings-buster 'Poldark' in 2015. She is one of the most in-demand make up designers in the UK today and her versatility across all genres – from period ('Jamestown' series I and II, 'Poldark' and 'War and Peace') to horror ('Dread'), fantasy ('Sinbad'), beauty ('Margot') and contemporary ('Harry Brown', 'Falcon') along with the experience to lead and manage her team, make her an ideal choice for producers and directors alike.
