

# PHIL HIGNETT

## Editor

With editor credits on multiple episodes of the ratings-busting Netflix show 'Sex Education' to his name, along with commercials credits for top brands such as British Airways, Mercedes, and Virgin Media, Phil has established his credentials and a solid reputation in episodic television. Although he was born in Sydney, he now lives in London and considers himself a citizen of the world. He also quotes Casablanca too much, if that's even possible.
