

SARAH LOVE*Hair Designer*

From contemporary films such as multi-award-winner 'The Impossible' (for which Naomi Watts received an Oscar nomination) and Paul Feig's 'Spy' (Nominated for Best Contemporary Hair Styling – Local 706 Awards) to period dramas like 'King Arthur' and 'Pride and Prejudice', there's very little that hair stylist Sarah Love isn't au fait with. Great with talent, she also understands the need to be part of the team by working with makeup department, director, and Production, while at the same time delivering outstanding work. Sarah's worked all over Europe, North America and the Far East, and is available for work worldwide.
