

**LIBERTY HAYNES***Hair & Makeup Designer*

*Liberty's experience is one of the widest of any new makeup designer we've seen recently. In between her drama work, which has included everything from comedy to art house to scifi noir both in features and in tv, she's also worked in commercials and documentaries, and is Personal to the likes of Kate Moss, Guy Pearce, and Orlando Bloom. She's equally au fait with period as she is with contemporary, and is strong on wigs, facial hair and prosthetics. A calm demeanour and an ability to manage her team and her budget completes the picture. Based in London, she is also able to work worldwide.*
