"There aren't enough superlatives to describe Anna Shelldrake artistry and capability. She is the perfect mix of inventive creativity and pragmatic problem solving required of a high-end Production Designer. Her results on screen are as exceptional as her budgetary, logistical and team management. After working with her once, you will - like me - seldom wish to work with a different Designer again."

Dan Kay, UK Line Producer, Paolo Sorrentino's "The New Pope" (HBO/Sky Atlantic).
