

**KRISTYNA SELLNEROVA***Line Producer / Producer*

*Czech-born Kristyna has the unusual distinction of having an equally solid background in features and tv as she does in commercials, corporates and promos. Her route into producing came through the AD department, as a Second and then as a First AD, and skills she's learned on the floor have only served to round off her experience even more. Now based in London, she is available to work worldwide.*
