

# ADAM BIDDLE

## Director of Photography

From clapper-loading on 'Braveheart' and '101 Dalmations', focus pulling on 'Event Horizon' and 'The World Is Not Enough' to operating on 'Bridget Jones: The Edge of Reason' and 'V for Vendetta', Adam's journey into lighting followed the time-honoured route. Now with fifteen feature credits as Cinematographer behind him, including the 2024 Al Pacino picture 'The Ritual' and the Jason Statham actioner 'Crank', he's also done some groundbreaking work in the field of documentaries with his friend Charles Annenberg and his Explore Foundation.
