ANDREW GUNN

Director

020 7729 7477

Andrew is an experienced, versatile, and highly visual drama director whose diverse work encompasses high-end and popular drama, comedy, and short films.

He has directed some of the most high-profile dramas of recent years and has had the pleasure of working with some of the UK's most acclaimed actors including John Simm in the Emmy-winning and BAFTA nominated LIFE ON MARS, Imelda Staunton in TV movie CLAY, Matt Smith, Karen Gillan and Sophie Okonedo in DOCTOR WHO, David Morrissey, Harry Treadaway and Felicity Jones in CAPE WRATH, Stephen Tomkinson and Hayley Mills in WILD AT HEART, not to mention Olivia Colman, Liz White, Andy Serkis and Ian Hart.

Andrew's passion for compelling performance and potent visual storytelling is apparent from his exceptionally crafted episodes for Netflix, BBC, CH4 and ITV and his work on hit shows such as SURVIVORS, PRIMEVAL and the BAFTA-winning sitcom GREEN WING starring Stephen Mangan and Tamsin Greig.

Andrew is based in the North West of England and available to work worldwide.
