

DAN DEWSNAP

Production Sound Mixer

With over 20 years in the industry, Dan has worked across television, HETV, and feature films. Having built his career as a Boom Operator, he has developed a deep understanding of sound recording at every level. His experience spans diverse productions, from high-end dramas to complex international shoots. Equipped with a sound kit, Dan brings technical expertise, problem-solving skills, and adaptability to every production. Based in Leeds, he has worked globally across Europe and South America, always ready for his next challenge.
