

ERIN LARGE*1st Assistant Director*

Erin has contributed to major projects such as Black Mirror, Anansi Boys, and Treason, as well as Kacken an der Havel for Netflix and Warner Bros. She has a great ability to thrive in high-pressure environments, earning the trust of directors, producers, and crew alike. Recently stepping up as a 1st AD, she brings a deep understanding of set operations, scheduling, and multi-unit coordination. Fluent in English and German, and conversational in French, Erin is based in Scotland and works across the UK and internationally.
