*"Henk is a very talented writer and a strong yet collegiate director. Every film I have worked with him has had a very motivated and happy crew.*

*He is a natural storyteller and as a film maker finds solutions to any creative and practical issues.*

*His films with me have always found an audience, sold internationally and have won awards at major festivals.*

*I look forward to continue working with him."*

**Gareth Jones – Executive Producer – *Boiling Point, Love Sarah, The Bolivian***
