

ISABELLA DJALILI-DEVINE

Editor

Fluent in all principal editing formats, Isabella's crammed a lot in in the last eight years. TV drama, features, factual, sitcoms and promos, there's little she's unfamiliar with, and she's keen to get deeper into TV drama and comedy. Based in London and available to work at any location where she'd be needed, her star is definitely on the rise. www.isabelladjalilidevine.com/
