

JO KISSACK

Costume Designer

Twice-nominated for a Primetime Emmy and a recipient of a Costume Guild award, Jo has recently relocated to the UK after twenty years in the US. She was designer in her own right on multiple episodes of the Bad Robot/HBO series 'Westworld', and her credits as assistant designer on the Oscar-laden 'Oppenheimer' and on movies as diverse as Denzel Washington's 'Tragedy of Macbeth' and the action comedy hit 'Ant Man and the Wasp' are proof that she's one of the most talented and multi-skilled designers working today.
