

JUSTIN AMSDEN BFE*Editor*

In a career spanning 25+ years so far, Justin's work displays a consummate ease that can only have been derived from long experience working with multiple genres. His CV covers pretty much everything from historical documentary to present day stories revolving around geography, politics, science and entertainment, and his professionalism and affable nature have endeared him to directors, producers and network production execs alike. Based in the London area, he'll happily go where the work takes him.
