

LANCE MILLIGAN*Costume Designer*

Lance's career thus far spans an extraordinary range of work, from contemporary talking point TV like 'Butterfly', 'The Other One' and 'Brassic' to auteur-driven films from the likes of Paddy Considine ('Tyrannosaur') and Ben Wheatley ('Kill List') as well as box office hits like 'Bank of Dave'. He's based in Yorkshire, where his all-rounder skills extend to membership of his cricket team, the Bounders, and he regards their recent win of Croatia's 'Vis' Cup one of his finest moments.
