

NICK ALLIX

Editor

Nick's editing career started in music video and he quickly racked up credits on promos with some of the world's biggest artists such as Beyonce, Kanye West, Coldplay, Snow Patrol, Florence & the machine, Kylie Minogue and dozens of others. In the commercial world he's worked on campaigns for leading brands such as Ikea, Amazon, The BBC, Ford, Channel 4 & Virgin Media.

But his heart has always been in drama and after cutting a series of award winning shorts, his big break came this year with two episodes on the debut series of the Netflix/Guy Ritchie series 'The Gentlemen'. Based in London, he works on Avid & Adobe Premiere.
