

# REBECCA HALL

## Hair & Makeup Designer

Rebecca's rise through the ranks of the makeup department has been strong and steady over the last fourteen years. She brings well-balanced and diverse experience that incorporates talent, skill and knowledge in a wide range of genres on feature films and episodic television. She is equally at home with period as she is with contemporary drama and horror and has a comprehensive knowledge of wigs and prosthetics. This is all encompassed by a calm demeanour and an ability to manage her team as well as her budget. Based in London, she is very happy to work worldwide.
