

TAMMY NOWELL

Costume Designer

After 9 years of honing her skills in the costume department as a standby, supervisor, and assistant, Tammy's dedication led to her first designer credit on Series II of the Studio Lambert/BBC 3 show 'Boarders'. With her practical skills, extensive onset experience, and BA Hons in Fashion & Design from Northumbria University, Tammy is passionate about creating costumes that celebrate a range of voices and is keen to collaborate with talented teams from all walks of life. Based in South Wales but with the flexibility to work across the UK and internationally, she's able to go where the work takes her.
